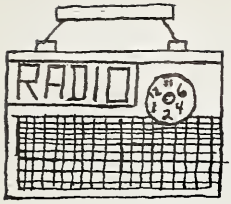
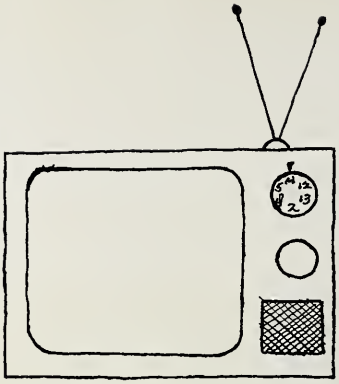
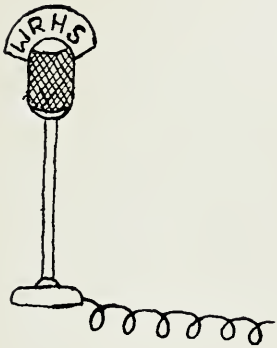
COMMUNICATE







We the staff of your yearbook wish to display how important communication is in the lives of the students at Roosevelt High School. In our society we have many instruments with which we communicate, but there is still a great lack of understanding between people. Students of today must realize the importance of communicating with ourselves, our teachers, and our fellow students. Throughout this yearbook we wish to communicate to you the highlights of the year 1966.

DEDICATION

A good teacher is a great asset to both the school and the community. Qualities of leadership, honor, and sincerity mark such a teacher. We, the senior class of 1966, have found these qualities in such a person as Mr. Manvell A. Olson. His untiring devotion has gained the loyalty and respect of everyone who has known him. Therefore with gratitude and deep appreciation for his diligent work, we, the graduating class, would like to dedicate this 1966 FRANDEROAN to Mr. Manvell A. Olson.

What's happening?

Our Alma Mater.

The virtues of citizenship, leadership and scholarship are found in Jan Evans. Her position as Co-President displays her ability as a leader and her cooperativeness to students and faculty at R.H.S. points out her friendly personality. Her ability in scholarship is shown by her membership in National Honor Society and Beta Club. Because of the concern Jan has shown for the welfare of Roosevelt and its students, the senior class would like to bestow the honor of BEST CITIZEN to Jan Evans.

Congratulations, Jan!

Service and dependability are qualities that are found in Jerry Bennett, the Editor of the *Franderoan*. Through his friendliness and understanding he has gained the respect of the faculty and his fellow students. Jerry's scholastic ability is displayed in his membership in the National Honor Society and Beta Club. We, the senior class, are proud to award the honor of BEST CITIZEN to Jerry Bennett, an honor student, who will be long remembered by all who have known him.

Congratulations, Jerry!
